FOUNDATION TRANSITION PROGRAM

Thank you for your interest in our school

Once you have chosen to enrol Moonee Ponds Primary School prides itself on the way in which it makes the transition from Kindergarten to Foundation year as enjoyable, smooth and positive as possible.

We offer an extensive familiarisation / transition program that commences in Term 3 and continues through until formal Foundation Transition in November. We have found that by developing a strong relationship between our school, the new MPPS students and their parents as soon as possible, we can better plan programs to suit the specific needs of the children.

Our program also helps to make our news students and their families feel part of our Moonee Ponds Primary School community. Here are some important dates:

FOUNDATION TRANSITION PROGRAM

July 17th

All children who are enrolled in our Foundation/Prep classes for 2016 will be invited to participate in some introductory activities designed to familiarise the children with their new surrounds. Parents are invited to stay with their children in the Foundation classes during this session.

August 14th & September 11th

These sessions are a continuation of our familiarisation activity program. However there will be a wider range of activities offered. Once again parents will be welcome to participate in the classroom with their children.

TRANSITION PROGRAM

November 6th, 13th & 20th

Our formal Foundation Transition will run over three days, November 6th, 13th and 20th. Attending the sessions ensures students will experience every facet of primary school life

Whilst your child is learning and having fun with current student ‘buddies’ in the Junior Building, we will provide a series of sessions for parents run by School Leadership and Staff, Literacy & Numeracy Co-ordinators, School Councillors, Uniform Shop representatives, Speech Therapist and Guidance Office (just to name a few).
