

FEEDBACK (CONCERNS AND COMPLAINTS) POLICY

Rationale

Moonee Ponds Primary School (MPPS) recognises the importance of fostering positive relationships with parents and families and developing strong school community partnerships. These partnerships are critical to supporting our children's development and learning, and are essential for building a collaborative learning community. In all partnerships there are times when disagreements and issues of concern need to be resolved. At MPPS, our approach to handling concerns and complaints is within the context of our school values: Respect, Optimism, Care and Collaboration:

- **Respect**
Treat yourself and others with consideration and regard. Be thoughtful and tolerant of one another's point of view and differences. Abide by our school expectations.
- **Optimism**
Be positive. Persist when experiencing difficulty. Set goals and believe that you can accomplish them. Have confidence and look for the positive, even in difficult situations.
- **Care**
Show kindness for yourself and others. Look after your belongings, your classroom and the environment. Take pride in what you do. Show understanding and be considerate of each other's situation, feelings and motives.
- **Collaboration**
Work together towards achieving common goals through demonstrating effective cooperation, communication and problem solving skills.

Aims

The purpose of this policy is to:

- provide an outline of the feedback (concerns and complaints) process at MPPS so that parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- ensure that all complaints regarding MPPS are managed in a timely, effective, fair and respectful manner.

Scope

This policy relates to complaints brought by parents, carers, students or members of our school community and applies to all matters relating to our school. In some limited instances, we may need to refer the complainant to another Department of Education and Training process where there are different mechanisms in place to review certain decisions, for example, expulsion appeals.

Implementation

The implementation of this policy is structured within the following sections:

1. Expectations
2. Preparation for Raising a Concern or Complaint
3. Complaints Process
4. Resolution
5. Escalation

Expectations

MPPS welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role
- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate
- operate within and seek reasonable resolutions that comply with any applicable legislation and Department policy.
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

Preparation for raising a concern or complaint

MPPS encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department and MPPS (see "Further Information and Resources" section below).

Complaints process

MPPS is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to:

- STEP 1:
The Student's Teacher or home group teacher about learning issues and incidents that happened in their class or group
- STEP 2:
The Year Level Leader if students from several classes are involved
- STEP 3:

The Assistant Principal about issues relating to staff members or complex student issues
The Principal about issues relating to school policy, school management, staff members or very complex student issues.

Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

For contact details of any staff member, call the office on 9375 2511 or email staff directly through the Compass School Management System portal. If you are not sure who to contact, contact the Assistant Principal or Principal on 9375 2511.

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

Our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Assistant Principal/Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- 4. Timelines:** MPPS will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, MPPS may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, MPPS will consult with you and discuss any interim solutions to the dispute that can be put in place.

Resolution

Where appropriate, MPPS may seek to resolve a complaint by:

- an explanation or further information about the issue,
- an apology or expression of regret,
- a change of decision,
- a change of policy, procedure or practice,
- offering the opportunity for student counselling or other support,
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, MPPS may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the South Western Victoria Region by contacting swvr@edumail.vic.gov.au or phone 1300 333 232.

MPPS may also refer a complaint to South Western Victoria Region if we believe that we have done all we can to address the complaint.

Procedures For Addressing Concerns And Complaints

COMMON QUESTIONS AND ANSWERS WHEN MAKING A COMPLAINT

When making a complaint:

- Your child's school should always be your first point of contact
- Concerns are best resolved at the school
- The Department expects that most complaints will be resolved by the school

How do I raise an issue or make a complaint?

1. Clarify the issue (what is your concern?)

Before you approach the school or your child's teacher:

- Be clear about the topic or issue you want to discuss.
- Focus on the things that are genuinely affecting your child.
- Always remain calm and remember you may not have all the facts relating to the circumstances of the topic or issue you wish to discuss.
- Think about what would be an acceptable outcome for you and your child.
- Be informed; check the Department's policies or guidelines, where relevant.
- Ask the school for a copy of the MPPS Feedback (Concerns and Complaints) Policy.

2. Contact the school

There are a number of ways you can raise any concerns you have about your child and their education. You can:

- Make an appointment to speak on the phone or in person with your child's class teacher, the year level leader or homegroup teacher; ensuring that you inform the school about the issue you wish to discuss,
- Write a note to your child's teacher outlining your concerns.
- Consider speaking with the school's student welfare coordinator, if you feel that this would be appropriate.
- Arrange any meeting times or phone calls through the school office (this is more convenient for both you and your child's teacher and does not interrupt teachers during the time they need to be with their students).

The class teacher or year level coordinator, together with any others who may be involved, should be given a reasonable amount of time to take the steps required to resolve or address your concerns. Remember, it may not always be possible to resolve an issue to your complete satisfaction.

3. Contact the Principal or Assistant Principal

Most concerns are resolved by following the first two steps above. However, if the issue remains unresolved after you have approached your child's teacher or other school staff, you can then ask to see the Principal or Assistant Principal. To do this, you will need to request an appointment through the school office.

Please note:

- The Principal may ask another senior staff member to speak with you on their behalf.
- If a teacher is going to be present at the meeting, the meeting is more likely to occur outside of classroom hours.

If your concern is related to issues of school policy, it should be raised more formally (in writing) with the Principal or the School Council.
