OFFICE INFORMATION ONLY: It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government. All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial council on Education, employment, Training and Youth Affairs and published in such publications as the national Report on schooling in Australia. No individual student or school is identifiable through the published information. (Refer to circular 291/2004 for more information.) A copy of the School Enrolment Privacy Notice must be attached to this enrolment form before distribution to parents and guardians, as this is a requirement of the *Information Privacy Act*. A template of the School Enrolment Privacy Notice is located at : <https://www.education.vic.gov.au/Documents/Schools-Privacy-Policy-English.pdf>
